

BLEMISH & AGE FOAM CLEANSER

ALL-IN-ONE MOUSSE

ALL-IN-1 FOAM FOR CLEAN, FRESH, AND BALANCED SKIN
DEEP CLEANSING · ANTI-BLEMISH · HYDRATION & FRESHNESS

USER GUIDE

¿WHAT IS BLEMISH & AGE FOAM CLEANSER?

ALL-IN-1 FOAM FOR CLEAN, FRESH, AND BALANCED SKIN.

A gentle facial mousse with 93% natural origin ingredients, designed to deeply cleanse pores, reduce blemishes, and balance sebum production, while hydrating and refreshing the skin. Perfect for a radiant complexion from the very first step of your routine.

♥ BENEFITS

- Deep cleansing that removes impurities and excess sebum.
- Visibly reduces pores and minimizes blemishes.
- Provides an immediate mattifying effect without drying out the skin.
- Hydrates, refreshes, and balances the skin.
- Promotes cell renewal for a more youthful appearance.

⚖ PROVEN EFFICACY

PORES REDUCED IN **15** MINUTES*

145% CELL RENEWAL
ANTI-AGING**

IMMEDIATE MATTIFYING EFFECT

🌿 ACTIVE INGREDIENTS

- **Niacinamide:** A multifunctional ingredient that reduces acne and evens skin tone. Strengthens the skin barrier, minimizes the appearance of pores, and enhances hydration, helping to prevent irritation and redness.
- **Pore Reductyl NT:** A natural extract with purifying and astringent properties. Helps cleanse and visibly reduce pores, controls excess oil, and maintains skin hydration, delivering an immediate matte finish.
- **Cobiositem Alerce:** Derived from the Larch tree, it stimulates cell renewal and protects against the harmful effects of blue light. Its antioxidant action strengthens the skin against signs of aging and enhances its natural radiance.

💧 SENSE

Light and soft mousse texture that transforms into a creamy foam upon contact with the skin. Immediate refreshing sensation, leaving the skin clean but never tight.

100 ml

*In vivo test on 15 volunteers aged 18 to 45 with PORE REDUCTYL NT. Results measured after 15 minutes.

**Study on COBIOSTEM Alerce.

HOW TO USE

Preparation:

- Dampen your face with warm water to open pores and prepare the skin for an effective cleanse.

Application:

- Apply a small amount to damp skin.
- Massage your face and neck in circular motions, avoiding the eye area.
- Rinse with warm water and pat dry with a clean towel.

Frequency of Use:

- Use morning and night as the first step of your skincare routine.
- This step is essential to prepare your skin and enhance the absorption of active ingredients from the following products in your routine.

Additional Recommendations:

- Pair it with other DR+ TWENTY products to maximize your routine's benefits:
 - 1. BLEMISH & AGE FOAM CLEANSER.
 - 2. BLEMISH CONTROL X-TREME SERUM
 - 3. GLOW+ HYDRO CREAM (OIL FREE)
- For a deep cleanse and enhanced results, complement with UNICSKIN Technology: **UNICTHERMO-SONIC 2.0.**

**Clean, radiant, and balanced skin
with visibly reduced pores and a fresh, matte finish.**

PRECAUTIONS

- **Topical Use Only:** This product is formulated exclusively for topical application. Do not ingest or apply to irritated or damaged skin.
- **Avoid Contact with Eyes and Mucous Membranes:** If contact occurs, rinse immediately with plenty of water to prevent irritation.
- **Sensitivity Test:** Before first use, apply a small amount to a discreet area, such as the forearm. Wait 24 hours to ensure no adverse reactions like redness or discomfort.
- **Natural Fragrances:** Contains essential oils such as Citrus Limon Peel Oil, which may cause sensitivity in highly reactive skin. Use with caution if you have a history of allergies.
- **Do Not Combine with Harsh Exfoliants:** Although the product contains gentle ingredients like Lactic Acid, avoid simultaneous use of potent exfoliants to prevent overloading the skin.
- **Discontinue Use if Sensitivity Occurs:** If you experience redness, itching, or discomfort, stop using the product and consult a dermatologist if symptoms persist.
- **Recommended Sun Protection:** While Lactic Acid is mild, it is advisable to use sunscreen after application to protect the skin and prevent potential sun sensitivity.
- **Storage:** Keep in a cool, dry place away from direct sunlight to ensure the stability of active ingredients.
- **Keep Out of Reach of Children:** Store safely to prevent accidental access.
