🌿 ACTIVE INGREDIENTS

- **Lumiskin™ (4%):** A brightening and illuminating ingredient that prevents hyperpigmentation and UV-induced melanin synthesis, enhancing skin tone.
- **Vitamin E:** An antioxidant that fights free radicals and protects the skin from oxidative damage.
- **Gluconolactone:** A polyhydroxy acid (PHA) that gently exfoliates, improves skin texture, and strengthens its natural barrier.

💧 SENSE

Ultralight, hydrating texture enriched with pigments that correct tone and blur imperfections for a natural, luminous finish with light coverage.

30 ml

*In vivo test with 20 volunteers applying Lumiskin™ twice daily for two months.

HOW TO USE

Preparation:

- Limpia y seca tu rostro antes de la aplicación para maximizar la absorción del sérum.

Application:

- Distribute a small amount of serum evenly over your face and neck, avoiding the eye area.
- Create your ideal coverage: Apply one layer for a natural finish or add more layers for increased coverage.

Frequency of Use:

- If exposed to the sun, reapply every 2 hours to maintain maximum SPF50 protection.
- Suitable for daily use.

Additional Recommendations:

- Perfect under makeup: Use as a base before applying other makeup products for a radiant, protected finish.

Achieve brighter, more even, and protected skin with a natural finish that highlights your beauty while preventing premature aging.

PRECAUTIONS

- **Topical Use Only:** This product is formulated exclusively for topical application. Do not ingest or apply to areas with open wounds, burns, or severe irritation.
- **Avoid Contact with Eyes and Mucous Membranes:** If accidental contact occurs, rinse immediately with plenty of water. If irritation persists, consult a specialist.
- **Sensitivity Test:** Apply a small amount to your forearm before first use. Wait 24 hours to ensure there are no adverse reactions such as redness, itching, or irritation.
- **Additional Sun Protection:** While the product contains SPF50, reapply every 2 hours during prolonged sun exposure, after swimming, or when sweating to ensure continuous protection.
- **Fragrances and Pigments:** Contains fragrances and mineral pigments, which are gentle but may cause sensitivity in highly reactive skin. Use with caution if you have a history of allergies.
- **Discontinue if Sensitivity Occurs:** If persistent redness, itching, or any adverse reaction develops, stop using immediately and consult a dermatologist if symptoms persist.
- **Avoid Combining with Aggressive Exfoliants:** If you use products containing AHAs, BHAs, or retinoids, avoid applying them simultaneously with this serum to prevent irritation or sensitivity.
- **Use Under Makeup:** This product can be used as a base, but avoid mixing it directly with other liquid cosmetics to maintain its SPF50 protection.
- **Storage:** Store the product in a cool, dry place away from direct sunlight, as heat and light can degrade the sunscreen filters and other active ingredients.
- **Keep Out of Reach of Children:** This serum is not intended for use by children. Prevent accidental access.
- **Consult a Specialist:** If you are pregnant, nursing, or have a pre-existing medical condition, consult a dermatologist before using this product.
