🌿 ACTIVE INGREDIENTS

- **HyMagic 4D (Hyaluronic Acid):** An innovative blend of four types of hyaluronic acid that work on different layers of the skin to deliver deep, long-lasting hydration. Improves elasticity, plumps fine lines, and protects the skin barrier against water loss.
- **Hydrafence:** An advanced ingredient that strengthens the skin's natural barrier, ensuring prolonged hydration for over 120 hours. Perfect for keeping skin fresh and revitalized even in harsh conditions.
- **Cobiostem Alerce:** A powerful cell regeneration booster that protects the skin from external aggressors. Helps maintain a youthful, healthy appearance while enhancing the skin's natural radiance.

💧 SENSE

Light, fresh, and fast-absorbing texture. Non-comedogenic, perfect for oily and acne-prone skin. Provides an instant feeling of freshness and comfort.

50 ml

*In vivo efficacy test conducted with 41 volunteers aged 25-50 using Hydrafence™. Hydration effects observed for up to 120 hours

**Study of COBIOSTEM Alerce.

HOW TO USE

Preparation:

- Cleanse and dry your face using an appropriate cleanser, such as BLEMISH & AGE FOAM CLEANSER.
- Remove any previous oily product residue.

Application:

- Place an adequate amount of cream in the palm of your hand.
- Gently apply to key areas of the face: forehead, chin, cheeks, and nose. Extend the application to the neck and décolleté.
- Massage in upward, circular motions from the center outward to promote absorption and maintain firm, smooth skin.

Frequency of Use:

- Use morning and/or night as the final step in your skincare routine. Its lightweight, fast-absorbing texture makes it ideal for daily use.
- This step is essential for sealing in the benefits of previously applied products, enhancing their effectiveness.

Additional Recommendations:

- Follow a complete daily skincare routine with the rest of the Dr+TWENTY:
 - 1. BLEMISH & AGE FOAM CLEANSER.
 - 2. BLEMISH CONTROL X-TREME SERUM
 - 3. GLOW+ HYDRO CREAM (OIL FREE)
- For enhanced results, pair it with UNICSKIN Technology treatments.

**Experience hydrated, radiant, and balanced skin without a greasy feel.
The perfect ally for fresh, revitalized skin!**

PRECAUTIONS

- **Topical Use Only:** Designed exclusively for external application. Do not ingest or apply to internal areas.
- **Keep Out of Reach of Children:** To prevent improper use that could cause harm.
- **Avoid Contact with Eyes and Mucous Membranes:** May cause irritation if applied to sensitive or damaged areas. In case of contact with eyes, rinse thoroughly with plenty of water.
- **Conduct a Sensitivity Test:** Apply a small amount to your forearm 24 hours before use to ensure your skin does not react negatively.
- **Discontinue Use if Sensitivity Occurs:** If redness, itching, or discomfort develops, stop using the product and consult a dermatologist if symptoms persist.
- **Avoid Combining with Other Exfoliating or Acid Treatments Without Consultation:** This may cause excessive irritation or sensitivity to the skin.
- **Storage:** Store in a cool, dry place away from direct light to preserve the formula's integrity.
- **Safe Formulation:** This product is based on natural ingredients, suitable for all skin types, and dermatologically tested to ensure safety and efficacy.
