🌿 ACTIVE INGREDIENTS

- **Hydroviton® Plus (2%):** A complex with immediate and long-lasting moisturizing action.
- **Hyaluronic Acid:** A powerful moisturizer that penetrates the deepest layers of the skin, providing long-lasting hydration. It also enhances the absorption of active ingredients and fills wrinkles from within.
- **Vitamin E:** A potent natural regenerator with anti-aging, anti-spot, and anti-blemish properties.
- **Vitamin F:** Restores the skin's natural barrier, protects against external aggressors, keeps the skin nourished and hydrated, and reduces the formation of wrinkles and spots.
- **Shea Butter:** With high antioxidant power, it deeply hydrates, reduces scars and marks, and soothes reactive skin.
- **Sweet Almond Oil (2%):** Provides moisturizing, emollient, and soothing benefits, especially for sensitive skin.
- **Alpha Bisabolol:** Offers softening, regenerating, soothing, and anti-inflammatory action.
- **Orange Stem Cells:** Prevent and smooth wrinkles while restoring the skin's natural radiance. They renew the skin, increasing firmness and elasticity.

💧 SENSE

Soft, lightweight, and fast-absorbing texture. Ideal for combination and oily skin, with no greasy or heavy feeling. Leaves the skin comfortable, hydrated, and fresh all day long.

50 ml

*Measurement of the skin hydration rate in 10 individuals after a single application of Hydroviton® PLUS.

HOW TO USE

Preparation of the skin:

- Start with the **UNICDETOX & GO** cleanser to remove impurities and prepare the skin.

Application:

- **Day:** Apply a moderate amount to the face and neck using upward movements.
- **Night:** Repeat the process for deep hydration and intensive repair while you sleep.

Frequency of use:

- Use daily as the third step in your skincare routine, after applying the serum that best suits your needs.

Additional Recommendations:

- Pair with **UNICSUN+ DARK SPOT CONTROL** sunscreen during the day to maximize results and protect the skin.
- For a complete three-step routine: Cleansing: **UNICDETOX & GO +** Anti-aging Serum: **UNICWRINKLE-STOP +** Anti-aging Moisturizing Treatment: **UNICA+.**
- Suitable for combination and oily skin thanks to its lightweight and fast-absorbing texture.

PRECAUTIONS

- **Topical Use Only:** This product is intended for external application only. Do not ingest.
- **Sensitivity Test:** Before full use, test on a small area of the face (such as behind the ear or along the side of the neck) to ensure compatibility, particularly for sensitive or reactive skin.
- **Avoid the Eye Contour Area:** The skin around the eyes is delicate and may become irritated by depigmenting ingredients. In case of accidental contact with the eyes, rinse thoroughly with plenty of water.
- **Avoid Direct Sun Exposure Immediately After Application:** Although **UNICA+** is safe for daily use, always apply sunscreen during the day as part of your routine.
- **Do Not Combine with Other Potent Treatments:** To prevent irritation, especially when using chemical exfoliants or retinoids, alternate their use with **UNICA+** and maintain a balanced routine.
- **Do Not Apply to Damaged or Irritated Skin:** Avoid use on open wounds, burns, or active irritations. Wait for the skin to recover before applying the product.
- **Keep Out of Reach of Children:** This product contains highly concentrated active ingredients and is designed for adult use only.
- **Proper Storage:** Keep the container tightly closed in a cool, dry place, away from direct heat or sunlight, to preserve the product's quality.
- **Safe Formulation:** Made with **natural ingredients, suitable for all skin types, and dermatologically tested** to ensure safety and effectiveness.
