UNICBODY SLIM ACTION x4

SLIMMING, FIRMING AND ANTI-CELLULITE BODY GEL

Multi-action body gel formulated to **help reduce localized fat, visibly improve skin firmness, and smooth the appearance of cellulite**. Its **NEW lightweight, translucent texture** absorbs quickly **without leaving residue**, making it an ideal choice for daily body care routines.

Enriched with **next-generation neuropeptides and a synergistic complex of organic silicon and caffeine**, it works through multiple mechanisms to **support lipolysis, stimulate skin microcirculation, and tone specific areas of the body**. Infused with **menthol**, it delivers an **immediate cooling sensation**, reactivating the skin and enhancing a revitalizing effect.

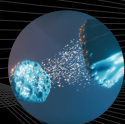

♥ BENEFITS

- Helps reduce localized fat deposits & redefine body contours.
- Helps firming and toning while improving elasticity.
- Helps reduce the appearance of cellulite.
- Activates microcirculation with a refreshing effect.
- Incolor, quick-absorbing formula — no stains.

⚗ PROVEN EFFICACY

VISIBLE
**CONTOUR REDUCTION,
HIDRATION & FIRMNESS**

🌿 ACTIVE INGREDIENTS

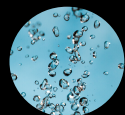

Glutrapeptide® (1%)

Next-generation neuropeptide with high skin penetration. Stimulates neuron-to-adipocyte communication to enhance fat breakdown and skin metabolism.

Cafeisilane SC® (3%)

A synergistic complex of organic silicon and caffeine that accelerates lipolysis and visibly reduces localized adiposity.

Hydroviton® Plus (1%)

A powerful hydrating complex that boosts moisture retention and keeps skin soft and supple for up to 48 hours.

Menthol

Provides an instant cooling sensation, stimulating microcirculation and leaving the skin feeling refreshed and energised.

HOW TO USE

Apply daily on clean, dry skin. Massage into the targeted areas using upward, circular movements until fully absorbed.

For enhanced results, use with the **UNICTECH BODY SLIM x4**: This gel also functions as a conductive medium, activating and amplifying the effects of the 4 integrated technologies: LED, EMS, Radiofrequency, & Slim.
