REGENERA Y FORTALECE LA BARRERA CUTÁNEA

USER GUIDE

¿WHAT IS UNICHYDRO-ACTIVE?

INTENSIVE HYDRATING, SOOTHING, AND ANTI-AGING SERUM

For the thirstiest skin, this intensive serum provides deep hydration while promoting regeneration. Its powerful soothing action helps balance even the most sensitive or irritated skin.

Additionally, it helps reduce rosacea, imperfections, and fine lines. Leaves the skin luminous and radiantly healthy.

♥ BENEFITS

- Deep and Long-Lasting Hydration.
- Strengthens and Repairs the Skin Barrier.
- Relieves Tightness and Soothes Irritation.
- Improves Skin Texture and Elasticity.
- Boosts Skin's Resilience Against External Aggressors.

⚡ PROVEN EFFICACY

ULTRA-HYDRATING LONG-LASTING
ACTION, SOOTHING AND
ANTI-AGING

12 YEARS REJUVENATED SKIN*

🌿 ACTIVE INGREDIENTS

- **Argireline (3%):** Prevents and Reduces Fine Lines and Deep Wrinkles. Clinically proven as a natural alternative to Botox.
- **High molecular weight hyaluronic acid:** A powerful hydrator that penetrates the deepest layers of the skin, providing long-lasting hydration. It also enhances the absorption of active ingredients and fills wrinkles from within.
- **Boswellia Serrata:** A powerful natural anti-inflammatory that purifies and soothes the skin.
- **Marine Collagen:** Regenerates the dermis and restores firmness to the tissues, preventing the appearance of wrinkles and combating dermatological issues such as rosacea, acne, and psoriasis.
- **Orange Stem Cells:** Prevent and smooth wrinkles while restoring the skin's natural radiance. They renew the skin and enhance its firmness and elasticity.
- **Aloe vera:** With powerful medicinal properties, this plant deeply nourishes the skin and stimulates the generation of new cells, helping to prevent early signs of aging.

💧 SENSE

A lightweight, watery-textured serum that absorbs quickly, leaving the skin fresh, hydrated, and free of greasy residue. Its subtle fragrance, derived from natural extracts, provides a calming and comforting sensation.

*In Vivo Efficacy Test conducted after using Citrustem™ twice daily for 56 days. 20 women aged between 41 and 55 years.

HOW TO USE

Skin Preparation:

- Thoroughly cleanse your face with a suitable cleanser, such as **UNICDETOX & GO**, to remove makeup residue, impurities, and pollution.

Application:

- Gently shake the bottle before use to ensure the active ingredients are evenly mixed. Use the dropper to extract 3-4 drops of the serum and apply them to your fingertips or directly to key areas of the face: forehead, cheeks, and chin.
- Massage using upward and circular motions until the product is fully absorbed. Don't forget to apply it to the neck and décolleté for uniform coverage.

Frequency of Use:

- Use the serum twice daily, in the morning and at night, as part of your skincare routine.

Combination with Other Products:

- In the morning, follow with an SPF 50 sunscreen, such as **SPF 50, como el UNICSUN+ DARK SPOT CONTROL**, to protect your skin.
- At night, apply a moisturizer such as **UNICA+ 72H HYDRO+** to maximize hydration results.

Additional Recommendations:

- For enhanced results, complement your routine with the **UNICLED KOREAN MASK** for targeted anti-aging treatments.
- Pair it with **UNICClear&Clean** for gentle exfoliation or **UNICWRINKLE-STOP** for a complete anti-aging regimen. Apply serums in layers, allowing each one to fully absorb (30 seconds to 1 minute) before applying the next. Avoid mixing them directly to preserve the efficacy of the active ingredients.

PRECAUTIONS

- **Topical Use Only:** This product is intended solely for external application. Do not ingest.
- **Recommended Sun Protection:** We recommend using a sunscreen with a minimum of SPF 50 during the day to keep the skin protected from sun damage, especially to preserve the hydration and regeneration benefits this serum provides. We suggest pairing it with **UNICSUN+ DARK SPOT CONTROL**.
- **Patch Test Recommended:** Before full application, test the product on a small area of the face (such as behind the ear or along the neck). This ensures compatibility with your skin, particularly for sensitive or reactive skin types.
- **Avoid the Eye Contour Area:** Although safe for the face, avoid application on sensitive areas like the eye contour. In case of accidental contact, rinse thoroughly with water.
- **Do Not Combine with Other Exfoliants:** Avoid simultaneous use of products containing retinoids, exfoliating acids, or potent depigmenting actives unless recommended by a dermatologist.
- **Do Not Apply to Damaged or Irritated Skin:** If you have cuts, wounds, sunburn, or irritation, avoid using the product until the skin is fully healed.
- **Keep Out of Reach of Children:** This product is for adult use only due to its high concentration of active ingredients.
- **Proper Storage:** Store in a cool, dry place away from direct sunlight to maintain the stability of the formula, especially its vitamin C content.
- **Safe Formulation:** Made with **natural ingredients**, suitable **for all skin types**, and **dermatologically tested** to ensure safety and efficacy.
