IMMEDIATE LIFTING EFFECT · DEEP HYDRATION ·
FIRMNESS AND TONE

USER GUIDE

WHAT IS UNICLIFTING+?

INTENSIVE FIRMING AND LIFTING SERUM

An intensive daily facial serum designed with a powerful lifting action to restore elasticity, firmness, and tone to the face.

Its advanced formula works to slow the signs of aging, fill wrinkles, and provide long-lasting hydration while enhancing the skin's natural radiance.

♥ BENEFITS

- Immediate Lifting Effect.
- Restores Long-Term Tone and Firmness.
- Fills Wrinkles.
- Intensely Hydrates the Skin.
- Enhances Radiance.

⚡ PROVEN EFFICACY

IMMEDIATE LIFTING EFFECT

VISIBLY FIRMER, SMOOTHER, AND
YOUNGER-LOOKING SKIN

12 YEARS REJUVENATED SKIN*

🌿 ACTIVE INGREDIENTS

- **Phytoproteoglycans (2%):** Natural molecules that enhance the skin's mechanical and supportive properties, leaving it firmer and smoother. Their sponge-like effect, due to their high water retention capacity, helps maintain skin hydration.
- **Hyaluronic Acid:** Low molecular weight. A powerful hydrator that penetrates the deepest layers of the skin, delivering long-lasting hydration. It also boosts the absorption of active ingredients and fills wrinkles from within.
- **Orange Stem Cells (2%):** Prevent and smooth wrinkles while restoring the skin's natural radiance. They renew the skin and improve its firmness and elasticity.

💧 SENSE

A serum with a lightweight, watery texture and fast absorption, leaving the skin visibly hydrated, smooth, and healthy. Its formula provides a refreshing and pleasant experience, perfect for daily use.

*In Vivo Efficacy Test conducted after using Citrustem™ twice daily for 56 days. Sample: 20 women aged 41 to 55 years.

HOW TO USE

Skin Preparation:

- Cleanse your face thoroughly with an appropriate cleanser, such as UNICDETOX & GO, to remove makeup, impurities, and pollution.

Application:

- Gently shake the bottle before use to ensure the active ingredients are evenly mixed. Use the dropper to extract 3-4 drops of the serum and apply them to your fingertips or directly to key areas of your face: forehead, cheeks, and chin.
- Massage in upward, circular motions until the product is fully absorbed. Don't forget to apply it to your neck and décolleté for uniform coverage.

Frequency of Use:

- Use the serum in the morning and at night as the first step of your facial care routine.

Combination with Other Products:

- In the morning, follow with an SPF 50 sunscreen, such as UNICSUN+ DARK SPOT CONTROL, to protect your skin.
- At night, apply a moisturizer like UNICA+ to maximize hydration results.

Additional Recommendations:

- **Enhance Results:** Complement with the UNICLED NECK&CHIN MASK for targeted anti-aging and firming treatments.
- **Additional Care:** Boost hydration with UNICHYDRO-ACTIVE after use to soothe the skin and maintain its balance. Apply serums in layers, allowing each one to fully absorb (30 seconds to 1 minute) before applying the next. Avoid mixing them directly to preserve the efficacy of the active ingredients.

PRECAUTIONS

- **Topical Use Only:** This product is intended solely for external application. Do not ingest.
- **Recommended Daily Sun Protection:** We recommend using a sunscreen with a minimum of SPF 50 during the day to protect the skin from sun damage, especially to preserve the hydration and regeneration benefits provided by this serum. Pair with UNICSUN+ DARK SPOT CONTROL for enhanced protection.
- **Patch Test Recommended:** Before full application, test the product on a small area of the face (such as behind the ear or along the neck). This ensures compatibility with your skin, particularly for sensitive or reactive skin types.
- **Avoid the Eye Contour Area:** Although safe for the face, avoid application on sensitive areas like the eye contour. In case of accidental contact, rinse thoroughly with water.
- **Do Not Combine with Other Exfoliants:** Avoid simultaneous use of products containing retinoids, exfoliating acids, or potent depigmenting actives unless recommended by a dermatologist.
- **Do Not Apply to Damaged or Irritated Skin:** If you have cuts, wounds, sunburn, or irritation, avoid using the product until the skin is fully healed.
- **Keep Out of Reach of Children:** This product is for adult use only due to its high concentration of active ingredients.
- **Proper Storage:** Store in a cool, dry place away from direct sunlight to maintain the stability of the formula, especially its vitamin C content.
- **Safe Formulation:** Made with **natural ingredients**, suitable **for all skin types**, and **dermatologically tested** to ensure safety and efficacy.
