HOW TO USE

Step 1: Pre-cleaning

Make sure the skin around the eyes is perfectly clean and dry. To enhance results, gentle cleansing with UNIC**DETOX & GO** facial cleanser is recommended.

Step 2: Precise application

Carefully remove the patches from their packaging and place them directly on the skin around the eyes, adjusting them to the lower eye area. Press lightly with your fingertips to ensure proper adherence.

Step 3: Optimal action time

Leave on for 20 minutes. During this time, the highly effective active ingredients (Collagen, Irish Moss, Licorice Extract and Chamomile) act in synergy to decongest the eyes, reduce wrinkles, puffiness and dark circles, and provide immediate hydration and radiance.

Step 4: Removal and finishing

Gently remove the patches and massage the excess formula with light touches until completely absorbed. Do not rinse off.

UNICSKIN Tip:

Store patches in the refrigerator 15 minutes before application for a more powerful lifting effect and an immediate cooling sensation.
