HOW TO USE

Step 1: Pre-cleanse

Make sure your lips are perfectly clean and dry.

Step 2: Precise application

Place the patch over your lips and gently press with your fingers to ensure proper adhesion.

Step 3: Optimal action time

Leave on for 20 minutes. The active ingredients work in synergy to hydrate, add volume, and smooth the lip surface.

Step 4: Removal and finish

Carefully remove the patch and rinse off any excess product with lukewarm water.

UNICSKIN Tip:

Place the patches in the refrigerator for 15 minutes before application for a more powerful lifting effect and an immediate refreshing sensation.
