THE HAIR DEFENSE MASK

PROTECTIVE AND REPAIRING HAIR MASK

A **repairing and strengthening** hair mask design to **deeply nourish, improve hair fiber strength, and restore softness, elasticity, and shine**. Its formula helps **protect the hair from dryness, damage, and external aggressors**, leaving it visibly **healthier, silkier, and easier to detangle** - **without weighing it down**.

Its **creamy texture envelopes the hair fiber**, delivering intense nourishment and a conditioning effect that enhances manageability from the very first use. As part of the **ROOT DEFENSE LAB** protocol, it helps **reinforce the hair barrier, smooth the cuticle, and enhance the overall healthy appearance of the hair**.

♥ BENEFITS

- Plumps fine hair and reduces breakage.
- Repairs damaged hair fibers.
- Deeply hydrates without weighing hair down.
- Controls frizz and enhances softness.
- Enhances shine and smoothness.

🌿 ACTIVE INGREDIENTS

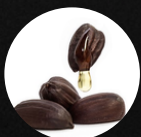

Capilia Longa™ (1%)

Turmeric stem cell complex that helps preserve hair density and supports the visible regeneration of the hair fiber over time.

PhylDerm® (2%)

Soy-based active ingredient rich in peptides, amino acids, and minerals that helps strengthen and smooth the hair structure.

Definicire® (2%)

Biomimetic lipid complex of jojoba and sunflower that helps control frizz and protect the hair from humidity.

Aceite de macadamia

Nourishing vegetable oil that improves hair elasticity and helps reduce signs of dryness and breakage.

Aceite de argán

Rich in essential fatty acids and vitamin E, it restores softness and enhances shine without weighing the hair down.
