THE HAIR MIST

PROTECTIVE AND REHYDRATING MIST

Protective and rehydrating mist designed to help **shield the hair from daily environmental aggressors, such as UVA rays and pollution**, helping maintain color integrity and prevent fading. Its **ultrafine, lightweight, non-greasy texture** distributes evenly over dry hair, **restoring softness, vitality, and a healthy-looking appearance** throughout the day, whenever needed.

Infused with a **subtle herbal fragrance**, this mist leaves a **fresh, clean, natural finish, delicately scenting the hair** from morning to night. As Step 4 Protect of the ROOT DEFENSE LAB protocol, it is the ideal ally for maintaining hair quality between washes or after exposure to external aggressors.

♥ BENEFITS

- Protects against UVA rays and pollution.
- Helps maintain color intensity.
- Refreshes and hydrates dry or damaged hair.
- Controls frizz and makes styling easier.
- Leaves a clean, natural scent for 24 hours.

🌿 ACTIVE INGREDIENTS

Keracyn™ (5%)

Artichoke-derived active ingredient that protects against external aggressors and repairs damage caused by free radicals, preserves the hair's structural integrity, and revitalizes the fiber to help prevent breakage. All of this contributes to maintaining healthy, younger-looking hair.

Poliplant (1%)

Botanical complex based on quinoa, nasturtium, chamomile, fucus algae, and honey that nourishes the hair and helps retain hydration.

INCI: Aqua (Water), Alcohol Denat., Sorbitan Oleate Decylglucoside Crosspolymer, Propanediol, Glycerin, Parfum (Fragrance), Soyethyl Morpholinium Ethosulfate, Gluconolactone, Sodium Benzoate, Cynara Scolymus Leaf Extract, Calcium Gluconate, Chamomilla Recutita Flower Extract, Cinchona Succirubra Bark Extract, Fucus Vesiculosus Extract, Honey Extract, Tropaeolum Majus Flower Extract, Potassium Sorbate.

HOW TO USE

Spray onto dry hair from a suitable distance, distributing evenly from mid-lengths to ends or all over the hair as needed. Do not rinse. Apply throughout the day whenever desired to protect, refresh, and hydrate the hair.

Use as Step 4 of the ROOT DEFENSE LAB hair treatment protocol.
