THE HAIR SHAMPOO

PREVENTIVE AND STRENGTHENING SHAMPOO

A revitalizing shampoo design to **deeply cleanse** the scalp and hair, gently removing **excess sebum, impurities, and accumulated residues without disrupting its natural balance**. Its formula helps **purify, refresh, and rebalance the scalp**, leaving a feeling of immediate cleanliness, lightness and comfort, **even for sensitive scalps**.

Its **light sensory texture** creates a pleasant foam that envelopes both hair and scalp, enabling effective yet gentle cleansing. As an essential step in the **ROOT DEFENSE LAB** protocol, together with THE SCALP SCRUB, it prepares the scalp and hair fiber to better absorb the active ingredients of subsequent treatments, enhancing the overall effectiveness of the hair care routine.

♥ BENEFITS

- Gently cleanses the scalp and hair.
- Removes excess sebum, impurities, and buildup.
- Purifies and revitalizes the hair fiber.
- Promotes hair growth and adds volume.
- Strengthens from the root.

🌿 ACTIVE INGREDIENTS

BIO-CAPIGEN VEG™ (3 %)

A plant-based complex combining biotin (vitamin B7), soy protein, ginseng, red onion extract, and amino acids. Helps stimulate keratin synthesis, strengthen the hair fiber, and maintain hair density. Clinically proven to enhance hair growth factors and support hair vitality.

Alfa-bisabolol (0,5 %)

An active ingredient with soothing and comforting properties, especially suitable for sensitive or irritated scalps. Helps reduce itching, redness, and discomfort while rebalancing and protecting the scalp from external aggressors.

Glicerina (3,8 %)

A powerful moisturizing agent that attracts and retains moisture in both the scalp and hair fiber, helping maintain optimal hydration. Improves softness, flexibility, and elasticity while preventing dryness and enhancing overall comfort.

INCI: Aqua (Water), Cocamidopropyl Betaine, Decyl Glucoside, Glycerin, Sodium Chloride, Parfum (Fragrance), Xanthan Gum, Sodium Benzoate, Hydrolyzed Soy Protein, Potassium Sorbate, Propanediol, Lactic Acid, Bisabolol, Hexyl Cinnamal, Benzyl Salicylate, Glucose, Panthenol, Zinc PCA, Linalool, Limonene, Allium Cepa Bulb Extract, Arginine HCl, Citrulline, Glucosamine HCl, Niacinamide, Ornithine HCl, Panax Ginseng Root Extract, Pyridoxine HCl, Hydroxycitronellal, Citronellol, Geraniol, Benzoic Acid.

HOW TO USE

Apply to wet hair, gently massaging the scalp and hair fiber until a light foam forms. Rinse Thoroughly with water and use at every wash as Step 1 of the ROOT DEFENSE LAB hair care protocol.

*In vitro test on human keratinocyte cultures incubated with BIO-CAPIGEN VEG for 24h. Active ingredient present in RDL THE SHAMPOO.
