EXFOLIATION

THE SCALP SCRUB

SMART SCALP EXFOLIATION. FULL HAIR REVIVAL.

A **revitalizing gel scrub** designed to detoxify the scalp and support its natural renewal process. Formulated with biotin, natural sugar crystals, and shea butter, it gently **removes excess sebum, impurities, and dead skin cells**, while helping to **stimulate microcirculation and rebalance the scalp**, making it suitable even for sensitive scalps.

Its texture, **infused with sugar crystals, gradually dissolves during the massage**, providing effective yet gentle exfoliation and an immediate sensation of freshness, lightness, and comfort. As **Step 0 of the ROOT DEFENSE LAB protocol**, it prepares the scalp to **improve the absorption of active ingredients** and enhance the effectiveness of subsequent hair treatments.

♥ BENEFITS

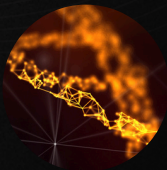

- Gently exfoliates the scalp without causing irritation.
- Removes dead skin cells, excess sebum, and accumulated impurities.
- Detoxifies and rebalances the hair follicle environment.
- Stimulates microcirculation and revitalizes the hair root.
- Improves the absorption of active ingredients.

⚗ PROVEN EFFICACY

TRIPLE ACTION:

DETOXIFY +
REVITALIZE +
HYDRATE & SOOTHE

🌿 ACTIVE INGREDIENTS

Biotin (Vitamin B7)

The star ingredient for promoting stronger, healthier hair from the root. Biotin enhances natural keratin production, helps reduce hair shedding, and revitalizes the scalp by creating the ideal environment for robust hair growth.

Pure Sugar Crystals

A natural exfoliant that effectively yet gently removes impurities, dead skin cells, and excess sebum. These crystals leave the scalp clean, oxygenated, and ready to receive active ingredients from other treatments, without causing irritation.

Shea Butter

Rich in natural anti-inflammatory compounds, shea butter soothes and deeply nourishes the scalp, restoring comfort after exfoliation. It strengthens the skin's barrier, locking in hydration and protecting against dryness.

INCI: Sucrose, Glycerin, Aqua (Water), Caprylic/Capric Triglyceride, Propanediol, Butylene Glycol, Polysorbate 20, Butyrospermum Parkii Butter, Gluconolactone, Carbomer, Xanthan Gum, Parfum (Fragrance), Sodium Benzoate, Biotin, Hexamethylindanopyran, Triethanolamine, Calcium Gluconate, Tetramethyl Acetyloctahydronaphthalenes, Linalyl Acetate, Trimethylcyclopentenyl Methylisopentanol.

HOW TO USE

Apply a small amount of to damp scalp before shampooing. Gently massage using circular motions with your fingertips or with a **UNICSKIN scalp brush** for enhanced stimulation and exfoliation. Focus on areas with higher sebum build-up or product residue. Rinse thoroughly with lukewarm water. Once or twice a week.
