USER GUIDE

WHAT IS UNICA+ 72H HYDRO+?

It provides intense and long-lasting hydration, leaving the skin radiant and full of vitality. Thanks to its concentration of 100% natural Pentavitin®, the formula guarantees instant and deep hydration that lasts for 72 hours. It also plumps and smoothes wrinkles and improves skin elasticity.

♥ BENEFITS

- Deeply moisturizes
- Maintains skin's natural hydration over the long term
- Reduces wrinkles and fine lines
- Improves skin elasticity
- Improves and smoothes skin texture
- Protects skin from pollution

- Orange stem cells
- Vitamin E
- Alpha Bisabolol (chamomile flower)

💧 SENSORIALITY

Light serum texture. Ophthalmologically tested.
Dermatologically tested. Non-irritating.

50 ml

HOW TO USE

Morning and Night

Step 1: Cleansing

Wash your face with **UNICDETOX & GO** to remove impurities and prepare the skin for better absorption of the treatment.

Step 2: Serum Application (optional, recommended)

If you use a serum, apply it before the cream to enhance results. Wait until fully absorbed before proceeding.

Step 3: Cream Application

- Take a small amount of **UNICA+ 72H HYDRO+** and warm it slightly between your hands.
- Spread over the face, neck, and décolleté using gentle upward motions until fully absorbed.
- Focus on drier areas to reinforce hydration.

Step 4: Sun Protection (morning only)

During the day, finish with **UNICSUN+ DARK SPOT CONTROL SPF50** to protect the skin from sun damage and prevent premature aging.

PRECAUTIONS

- Avoid contact with the eyes. If contact occurs, rinse thoroughly with plenty of water.
- Do not apply to irritated or wounded skin.
- For external use only.
- Perform a sensitivity test before use: apply a small amount to the inner wrist and wait 24 hours to check for any adverse reactions.
- Store in a cool, dry place, away from direct light or extreme temperatures to maintain effectiveness.

This treatment is dermatologically tested. If you experience any unexpected reaction, discontinue use and consult a specialist.

Q&A

What sets UNICA+ 72H HYDRO+ apart from other moisturizers?

Its formula includes 4% Pentavitin®, a 100% natural ingredient that delivers long-lasting hydration for up to 72 hours. It also provides anti-aging, firming, and brightening benefits in one day-to-night cream.

What skin types is it recommended for?

It is especially suitable for dry to very dry skin types or for those experiencing dehydration, tightness, or loss of elasticity.

Can I use it during summer or in humid climates?

Yes. Despite its intense hydration power, its lightweight texture absorbs quickly, making it ideal for use even in warm or humid environments.

Which UNICSKIN products does it pair best with?

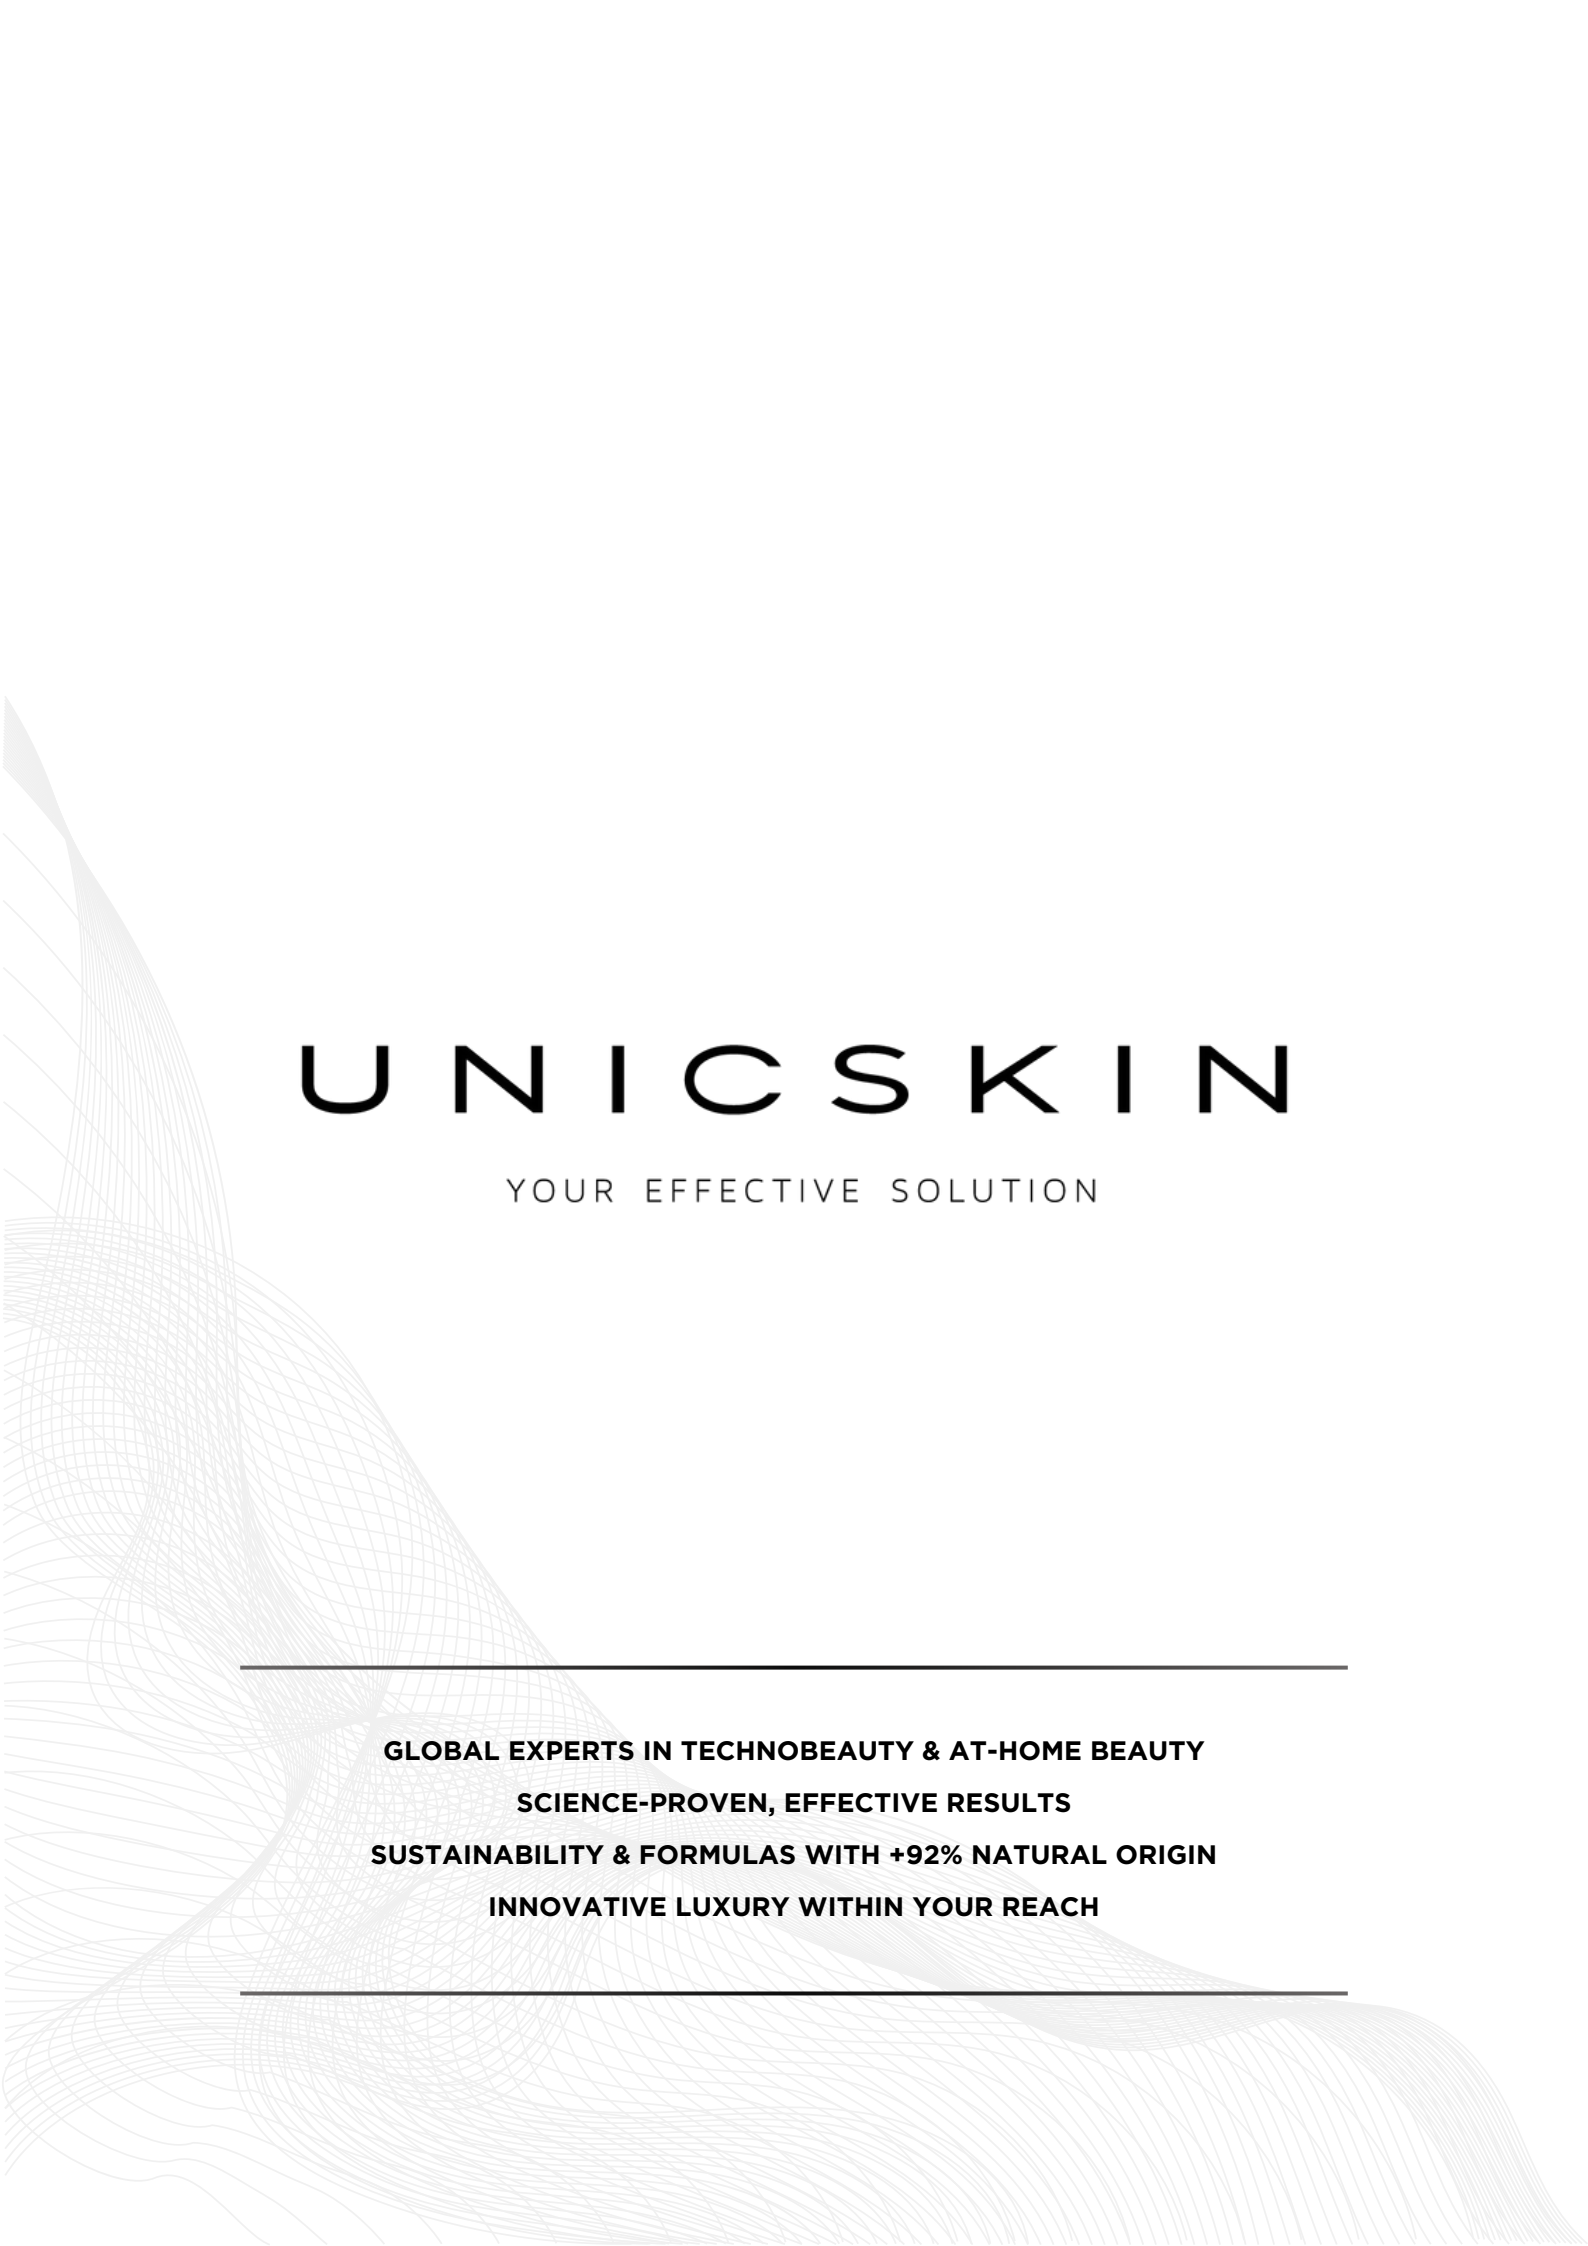

For optimal results, use it with UNIC**HYDRO-ACTIVE** serum for deep hydration and UNIC**DETOX&GO** for effective cleansing. It can also be applied after UNIC**30 DAY SKIN MIRACLE SHOT** as the final step of a nighttime routine.

Does it have anti-aging benefits?

Yes. In addition to deep hydration, it enhances skin elasticity, reduces fine lines, and boosts natural radiance, helping to maintain youthful, firm-looking skin.
