UNICREVIVE-X MASK

ULTRA-REJUVENATING MASK WITH EXOSOMES

The ultra-rejuvenating Bio-Cellulose Mask that brings together the most powerful ingredients from Japan and Asia!

Its formula blends **Exosomes** obtained from freshwater green microalgae, the greatest breakthrough in cellular regeneration for cosmetic use, with **Hyaluronic Acid** for deep hydration, and **Matcha Tea**, one of the most powerful natural antioxidants against aging.

In just 20 minutes, it repairs and revitalizes the skin, restores radiance, and visibly improves firmness and elasticity, leaving the **skin looking healthier, younger, and more luminous**.

♥ BENEFITS

- Stimulates **cellular regeneration** from within.
- Deeply **hydrates** and restores **elasticity**.
- Improves **firmness**.
- Delivers **instant radiance** and **evens skin tone**.
- Soothes and revitalizes the skin, **protecting it from oxidative stress**.

🌿 ACTIVE INGREDIENTS

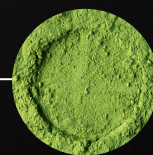

EXOSOMES

Microscopic vesicles naturally derived from freshwater microalgae. They fuse with other skin cell membranes, reprogramming and restoring their function. This stimulates repair and regeneration, strengthens the skin barrier, and enhances firmness.

HYALURONIC ACID

Deeply hydrates and plumps fine lines, restoring the skin's flexibility and softness.

MATCHA TEA

Powerful natural antioxidant that protects against oxidative damage and free radicals. Helps prevent premature aging, soothes skin, and enhances radiance and even skin tone.

HOW TO USE

- 1. Cleanse and tone your face:** Wash your skin with UNICDETOX & GO to remove impurities and toxins.
- 2. Unfold and apply the mask:** Open the sachet and place the biocellulose mask onto your face.
- 3. Leave on for 20 minutes:** Relax and let the actives—exosomes, hyaluronic acid, and matcha tea—work on your skin.
- 4. Remove and massage in the excess:** Remove the mask and gently massage the remaining product until fully absorbed. No need to rinse afterward.
